

PRINCE2® Foundation and Practitioner Certification Exam Training - Brochure

Get ahead as a Global Project Management Professional

The Importance of PRINCE2®

Short for **PR**ojects **IN** Controlled **E**nvironments, PRINCE2 is a set of globally-recognised project management standards. Initially used by the UK government, these practices have become the norm in many private organisations around the world.

Understanding PRINCE2 concepts and methods is recommended for project managers, both employed and aspiring, who want to transform the way they work in project environments and grow in their roles. Potential employers consider a PRINCE2 credential as proof of a candidate's knowledge of project management.
