

PRINCE2® Foundation Certification Boot Camp - Brochure

The Skill-set and Certification that Empowers your Project Management Career

The Importance of PRINCE2® Certification

Short for **PR**ojects **IN** **C**ontrolled **E**nvironments, PRINCE2 is a set of globally-recognized project management standards. Initially used by the UK government, these practices have become the norm in many private and public organizations around the world. PRINCE2 Foundation is the entry-level certification to build knowledge in this subject area. This credential attests to employers that you have sufficient knowledge and understanding of the PRINCE2 methodology to be able to work effectively in an environment that supports it. PRINCE2 Foundation is also one of the accepted qualifications to take the higher-level PRINCE2 Practitioner certification examination.
